Principal’s Report

Annie A Great Show
As this is the final newsletter for the term, I would like to thank all the staff and students at Ryde Public School for their fine efforts once again this term. I would especially like to thank Mrs Kaye for sharing her skills in producing the show, Annie, last week which was first rate. It was wonderful to see such talent showcased for our school community to enjoy. Each child in Year 3 through to Year 6 is able to have that opportunity to perform on stage due to the hard work of their teacher in getting them ready with all that is required for that all important moment on stage. Well done everyone.

NAPLAN
This week parents/carers of students in years 3 & 5 received a report on their child's performance in the National Assessment Program – Literacy and Numeracy (NAPLAN) tests for 2012. The NAPALN tests assess aspects of literacy numeracy.

NAPLAN tests provide the school with valuable information on the literacy and numeracy skills of children that are essential for ongoing learning. The information is used by the school to review various components in our teaching and greatly assists us with future strategic planning and quality teaching.

Please enjoy a safe and restful break for all staff, student and families of Ryde Public School. Ms Collyer will return to school at the beginning of term 4.
